

MAY 17-22, 2020 - MARSALA, ITALY

# BEPU 2020

BEST ESTIMATE PLUS UNCERTAINTY INTERNATIONAL CONFERENCE

Multi-Physics Multi-Scale Simulations with Uncertainty

## EXECUTIVE CHAIRS

**Honorary Chair**  
to be selected

**General Chairs**  
Kostadin Ivanov  
(NCSU, USA)

**Technical Program Chairs**  
Alessandro Petrucci  
(NINE, Italy)

**Steering Committee Chairs**  
to be selected

## IMPORTANT DATES

ABSTRACTS DUE: April 12, 2019

REVIEW NOTIFICATION: May 31, 2019

FULL PAPERS DUE: October 25, 2019

REVIEW NOTIFICATION: January 24, 2020

FINAL PAPERS DUE: 20 March, 2020

## ABOUT THE CONFERENCE

The objective of the Conference is to provide a forum to exchange experience and views among professionals in the nuclear industry in the development and use of Best Estimate Plus Uncertainty (BEPU) methods including multi-physics multi-scale applications in safety analyses and design of nuclear installations.

Authors are invited to participate in Best Estimate Plus Uncertainty (BEPU) International Conference.

BEPU 2020 Website will be available by July 20, 2018
